Attention Mr Nazir Ebrahim

Re: 3707 Dollarton Highway – Development Servicing Agreement

The engineering plans and cost estimates for the above noted development have been reviewed and accepted by the District of North Vancouver staff.

Attached you will find 3 copies of the Development Servicing Agreement for signature by the authorized signatory of the owner of the property. Please return the 3 executed copies to my attention for signature from our Mayor and Clerk. One copy will be returned to you.

Listed below you will find a summary of the Development Services Agreement (DSA) fees and bonding required. The fees must be paid in cash and the bond may be paid by letter of credit, cash or certified cheque.

Please note that the Off-site bond fee and the off-site landscaping bond have been calculated as the difference between what you had already paid, and the updated engineers' estimates we have received.

| | |
|------------------------------|--------------|
| Off Site Works Bond | \$279,790.38 |
| Off-Site Landscaping Bond | \$29,371.81 |
| Administration Fee | \$23,804.49 |
| DSA document Preparation Fee | \$605.00 |

The developer must also provide a copy of comprehensive general liability insurance in the amount of 5 million dollars with the District named as the third party.

Feel free to contact the undersigned if you have any questions.

Sincerely,

Nelly Francois, ASCT, BTech
Supervisor, Engineering Development Services
